## Objective

A motivated Information Systems graduate with a strong foundation in web development (CSS, HTML, JavaScript) seeking a Graduate Trainee position. Eager to contribute technical skills, learn from experienced professionals, and expand my knowledge in software development and IT systems to deliver value and grow in the tech industry.

## Education

Bachelor of Science in Information Systems
Midlands State University, [2020-2024]
- Developed a comprehensive understanding of IT systems, networking, and programming fundamentals.
- Completed coursework in Web Development, Networking, and Systems Administration.

## Technical Skills

- Languages: HTML, CSS, JavaScript
- Tools & Technologies: Git, WordPress (Beginner), Visual Studio Code
- Concepts: Responsive Design, Object-Oriented Programming (OOP) basics, Client-Side Scripting
- Other Skills: Microsoft Office (Excel, Word, PowerPoint)

## Experience

IT intern
(Public Service Commission)
- Responsible technical support across multiple branches country wide
- Collaborated with the programming department in the creation of a new pension system
- Carried out hardware and software checkups.

## Projects

Personal Portfolio Website
- Developed a fully responsive personal website using HTML, CSS, and JavaScript to showcase personal projects, technical skills, and professional accomplishments.

## Soft Skills

- Strong problem-solving skills
- Adaptable and willing to learn new technologies
- Excellent communication and teamwork
- Ability to work under pressure and meet deadlines

## Extracurricular Activities

- Participated in a local web development bootcamp, expanding knowledge in frontend technologies.
- Volunteered for community IT support projects, assisting in troubleshooting and basic web development.
